

**Due to the growing concern for our staff, families, patients, and our community, we have sadly decided to close all of our locations as of **Tuesday March 17 at 5pm**. We feel this is the right thing to do for everyone around us and we hope you understand.**

**We have someone working remotely to help you. Please call any one of our locations and your call will be forwarded to them. We will try and help however we can!**

**For updates on our hours, please check our website at [www.auburnmountainhearing.com](http://www.auburnmountainhearing.com).**

**We hope to see you soon.  
Please take care, stay home, and stay healthy.**
